	2 The question was discussed at the council meeting held on 4th Aug. 14, and the opinion of the Council was "that two Lakhs might be provided in the B. W. Budget every year during the next six years for the construction of buildings for Colleges and schools other than village schools", the ways and means being settled in consultation with the D. P. W. Secretary and the Financial Secretary.
	3 G. O. No. 406-8-Ed 208-13 dt 23. 9. 14 was issued on these lines, and Br II is at present discussing the ways and means in consultation

Bangalore.

Sir,

With reference to your letter No.2741/Edn.72-14-4 dated the 6th February 1915, I have the honour to state that the Superintending Engineers of Circles have already been requested to call for estimates for the construction of Educational buildings required to be undertaken during the ensuing official year, in accordance with the programme furnished by the Inspector General of Education.

2. As intimated in this office un-official No.284/P.W.D. dated the 16th December 1914 a sum of Rs 75,000 will be allotted annually for the next five years for expenditure on Educational buildings unless it be the intention of Government that the balance of Rs 1,25,000 should also come out of the Public Works Budget in which case it will be treated as an extra grant.

3. The revised copy of the programme received with the letter under reply is herewith returned.

I have the honour to be,

Sir,
